

Do you live with someone who isn't your parent?

You could be in a private fostering arrangement and Knowsley Council need to know about this to make sure where you are living is safe. We want to check that you are well cared for where you are living and we will ask a social worker to visit you to see if you are okay.

- They will come and see where you live and make sure that you are happy living with the private foster carer
- They will also continue to visit you in the house on a regular basis
- The social worker will talk to the people looking after you to see if they need any help. They will also need to do some police checks on the people who are looking after you
- They will get in touch with your parents to make sure they know everything is okay
- The social workers will also speak to your school and any other professional involved with you to let them know you are living with somebody else

**THIS IS ALL DONE
TO MAKE SURE
WHERE YOU LIVE
IS SAFE AND THAT
YOU ARE HAPPY.**

If you want to talk to someone about this you can call Knowsley Multi-Agency Safeguarding Hub (MASH) on 0151 443 4311 or you can visit www.knowsleyscp.org.uk
